Blade of Slashing	Whenever the unit rolls to hit in Melee, it can re-roll one of the dice that failed to hit.
Brew of Sharpness	The unit has +1 to hit in melee.
Brew of Strength	The unit has Crushing Strength (1), or if the unit already has Crushing Strength, it is increased by 1.
Brutal	When testing the Nerve of an enemy unit in melee with one or more of your units with this rule, add +1 to the total.
Critter's Call	24" Range. Roll to damage as normal. If one or more points of damage are scored, the target unit is Disordered. Once a hit is scored by this spell it may not be used again by this caster for the remainder of the game.
Crushing Strength	All melee hits inflicted by the unit have a +(n) modifier when rolling to damage.
Elite	Whenever the unit rolls to hit, it can re-roll all dice that score a natural, unmodified 1.
Fireball	Spell. Range 12". When targeting enemy units in cover or with the Stealthy special rule, these attacks hit on a 5+ instead of 4+.
Fly	The unit can move over anything (blocking terrain, enemy units, friendly units when charging, etc.), but still cannot land on top of them. The unit does not suffer hindered charges for moving over difficult terrain or obstacles, unless it ends the move within or touching them. The unit also has the Nimble special rule. While Disordered, units lose the Fly special rule including the Nimble that it grants. If the unit has Nimble for a different reason (ie: Individual) then they will remain Nimble while Disordered.
Fury	While wavered, this unit may declare a Counter-Charge.
Godspeaker	For every friendly non-allied Horde or Legion within 6" (Excluding Orclings), increase the amount of dice rolled for all spells by 1.
Great Thunder	This unit has the Rallying (2) special rule. Rallying! (n): Friendly, non-allied units within 6" of this unit have +n to their Waver and Rout Nerve values. This is cumulative, with a maximum total of +2 if multiple units with Rallying! are in range. Only the Rout value of Fearless units is affected by Rallying!
Headstrong	Whenever the unit begins a turn Wavering, it rolls a die. On a 3+ it shrugs off the effects of Wavering and is Disordered instead.
Heal	Spell. Range 12". Friendly unit only, including units engaged in combat. Hits don't inflict damage. Instead, for every hit 'inflicted', the friendly unit removes a point of damage that it has previously suffered.
Healing Brew	Once per game, when given an order, this unit may remove D2 points of damage previously suffered.

Individual

Line of Sight Before being given an order, an individual may pivot to face any direction for free. Individuals never block line of sight or offer cover against ranged attacks.

Move Individuals have the Nimble special rule.

Shooting Individuals may pivot to face any direction for free before picking a target in the shooting phase. Enemies shooting against Individuals suffer an additional -1 to hit modifier.

Melee When charging an individual, a unit must make contact with the face that they started in as normal, however the Individual will turn to align flush with the unit's facing, rather than the unit aligning to the individual's facing. Enemies never double/treble their Attacks when fighting the individual. Similarly, the individual does not double/treble its own attacks when attacking an enemy in the flank/rear. It does still treble its attacks against war engines, however. If an individual is routed and the charger (including another individual) decides to advance D6" directly forward, it can make contact with another enemy unit. In melee, enemies treble their attacks when attacking War Engines with the Individual special rule.

Inspiring If this unit, or any friendly non-allied unit within 6" of this unit, is Routed, the opponent must re-roll that Nerve test. The second result stands.

Lightning Bolt Spell. Range 24". Piercing (1) – roll to damage as normal. When targeting enemy units in cover or with the Stealthy special rule, these attacks hit on a 5+ instead of 4+.

Staying Stone The unit has +1 to its Waver/Nerve value.

Strider The unit never suffers the penalty for Hindered charges.

Thunderous Charge All melee hits inflicted by the unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any), however, the unit loses this bonus when Disordered and reduces this bonus by 1 when Hindered.

Vicious Whenever the unit rolls to damage, it can reroll all dice that score a natural, unmodified 1.

Weakness 24" Range. May target enemy units that are engaged in combat. Instead of causing damage, if one or more hits are scored, the target unit has a -1 modifier when rolling to damage enemy units during their next turn (any rolls the unit makes of natural six will still cause damage however). This effect only applies once – multiple castings on the same target have no effect.

Wip the Half-cast For every friendly non-allied Horde, Legion or unit of Orclins upgraded to be Wip's Playmates within 6" (Excluding regular Orclings), increase the amount of dice rolled for all spells by 1".
